Results of the 2016 HKDSE Examination

Most of our students achieved admirable results in the 2016 HKDSE Examination. Some of them even attained outstanding results and were admitted to universities for further studies. The percentages of our students getting Level 4 or above in the core subjects of Chinese, English, Mathematics and Liberal Studies are well above those of the day-school candidates. Our students obtained a total of 125 Level 5 or above in the 2016 HKDSE (including 52 Level 5* and Level 5**).
